FOR IMMEDIATE RELEASE

Friday, May 10<sup>th</sup>, 2020

**Focus back on the education of our most important asset - students, as Government & AEU Executive agree on the wage offer and improved work conditions.**

The Tasmanian Association of State School Organisations Inc (TASSO) President Mr. Nigel Jones said, "Today's announcement is very pleasing. It means, there will be no further loss of instructional time for students in Tasmania's public schools. A return to the Government's proposed investment in public education. As equally important, teachers, principals and teacher assistants, of which the vast majority go above and beyond in their roles, will have increased support and improved conditions."

TASSO look forward to AEU members and all those in the education sector supporting this agreement between the AEU Executive and Government.
